Michaela Freeman's company provides a unique range of editing, translation and manuscript services for researchers and publishers around the world since 1997. We specialize in demanding translations from Czech to English and editing by native English speakers with focus on technical precision as well as readability in the output language. Our editors regularly process material translated by us or by our clients, as well as manuscripts written by native and non-native speakers. Among our clients are Czech and international universities, research centers, public institutions as well as private companies and individual researchers, educators and journalists.
